IN MEMORIAM

Mrs. Norene Young, high school homemaking teacher, passed away in the Jourdanton Hospital on April 22, 1972, after a short illness. Mrs. Young had taught here for two years and was an extremely dedicated homemaking teacher. Her kindness and willingness to assist will always be remembered.

Clarence Sam (Sammy) Ham, son of Mr. and Mrs. Lindy Ham of Whitsett, was taken from us on September 28, 1971, as a result of a car-truck accident in Three Rivers. Sammy was a member of the sophomore class, and he had many friends who will never forget their memories of him.

"The earth is the Lord's and the fulness thereof, the world and those who dwell therein."

- Psalm 24:1

DEDICATION

We, the 1971-1972 Growl Staff, do hereby dedicate this yearbook to our high school principal, Mr. Carl Weber, Jr., who has served Three Rivers High School in many different ways for nearly twenty years.

Mr. Weber came to Three Rivers in 1952 and began teaching agriculture. In 1965 he became the high school principal. His patience and understanding have truly been an asset to the Three Rivers High School.

By this dedication the staff wishes to express their appreciation for his help and guidance.

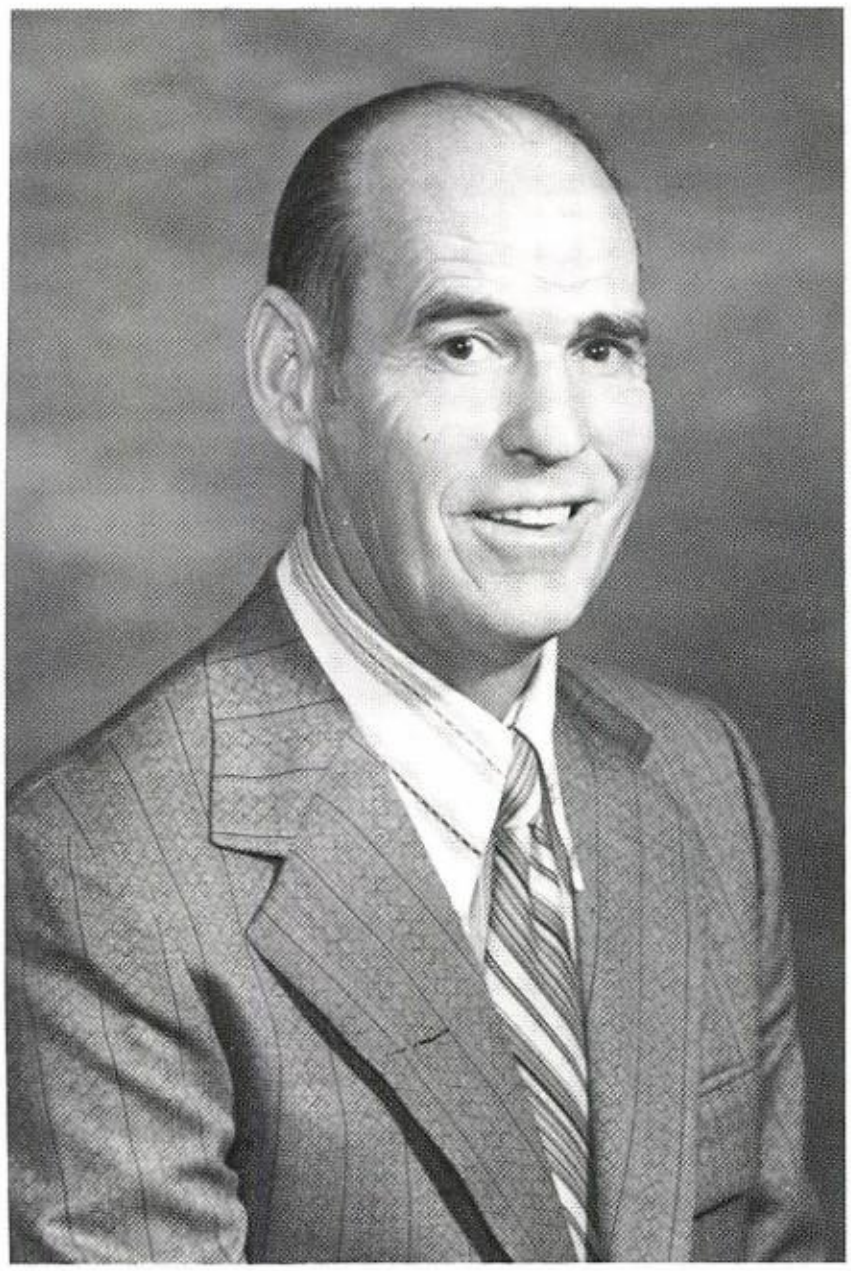
SUPERINTENDENT



I am indeed happy to have been given this opportunity to express my personal congratulations to Mrs. Matkin and the Annual Staff for a job well done. I know that I, and I am sure that every student, will cherish the memories which this book will recall in the years ahead.

My sincere wish for each of you is that you shall have a happy and successful future and that you will recall with pleasure your days spent in the Three Rivers High School.

Sincerely,

A. F. Cobb

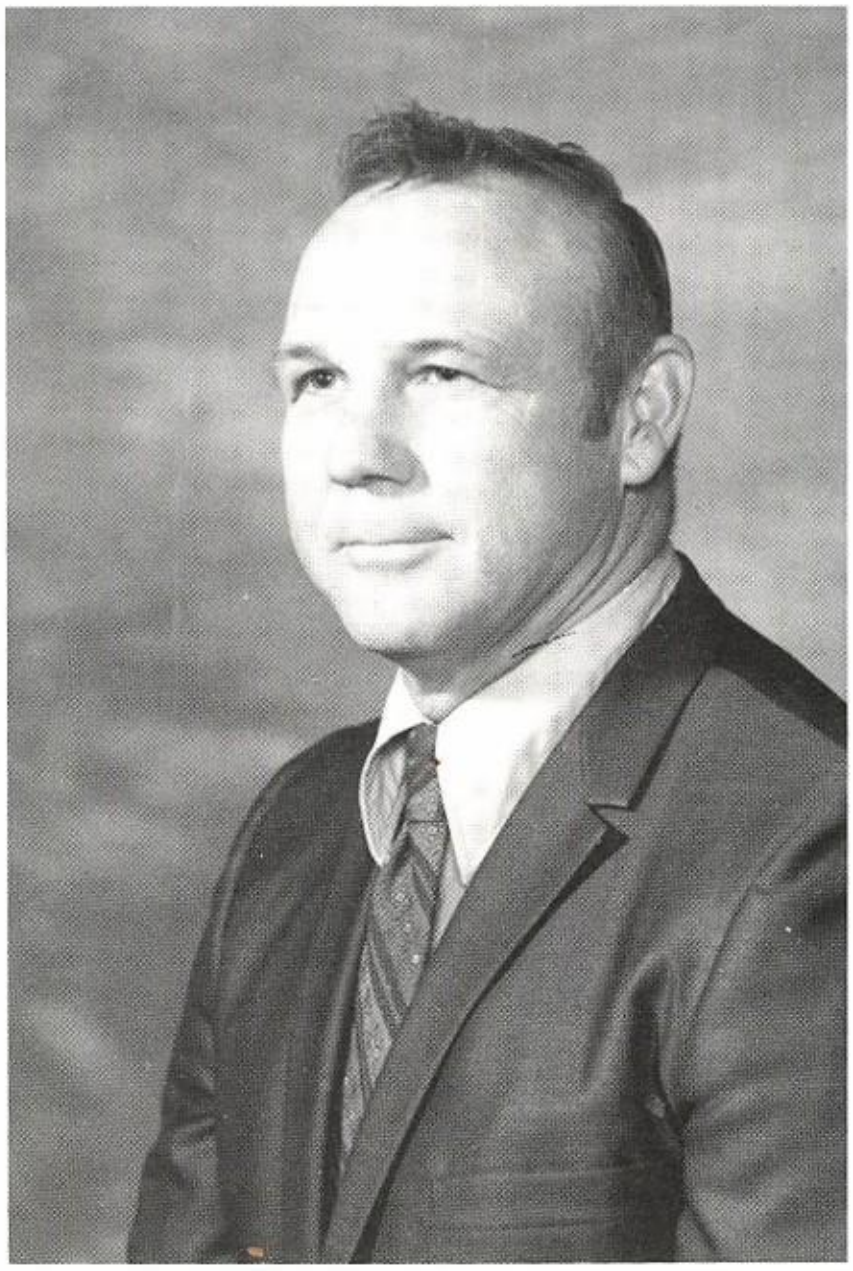
HIGH SCHOOL PRINCIPAL

As the years pass and you reminisce over your high school days, you are likely to remember some classmate or incident that will call for the opening of this 1971-72 annual.

When you do so, my hope is that you might remember with fondness your classmates, your teachers, and your high school days of which were so important in making you what you are today.

The best to you in future life, and may you meet life's challenges in a just and dignified manner.

Carl Weber, Jr.



JUNIOR HIGH PRINCIPAL

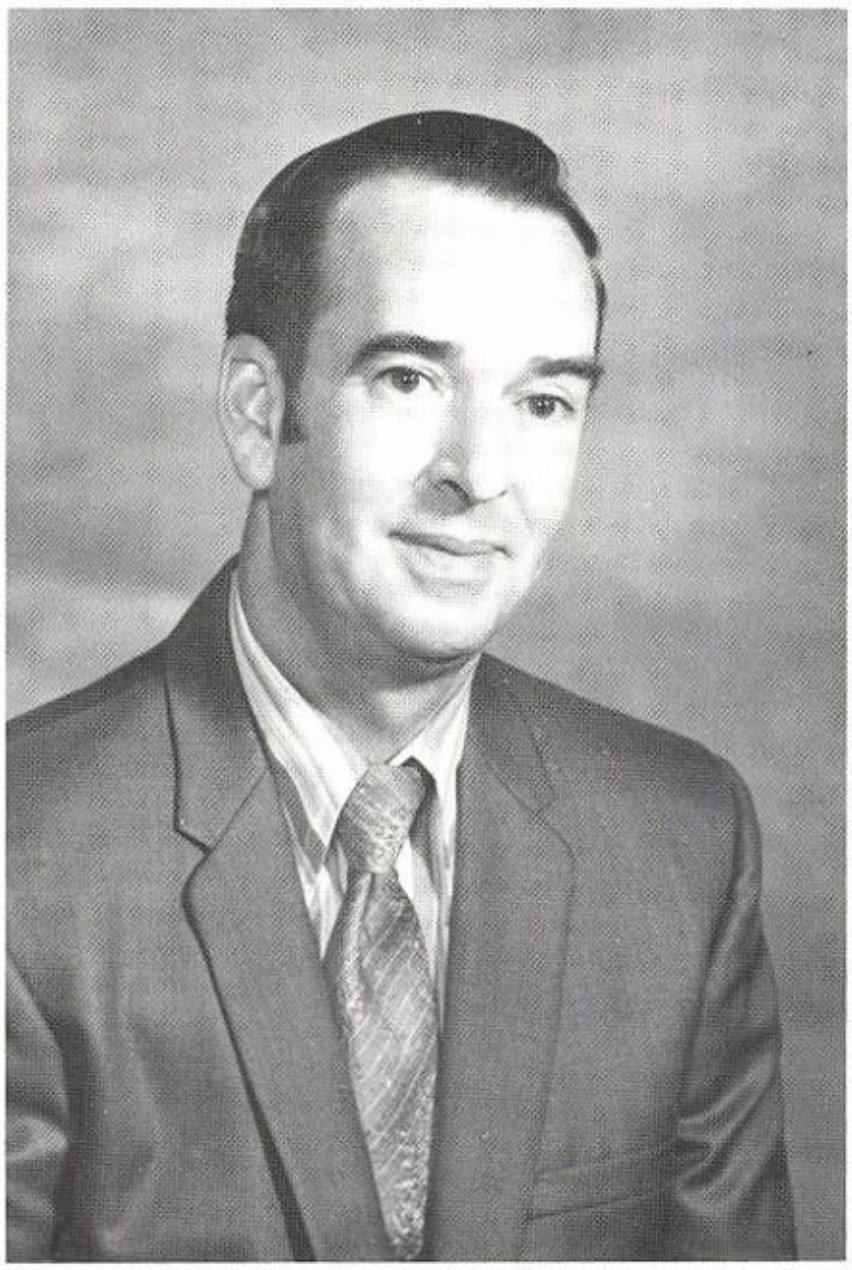
As the years pass by, each of you will cherish and appreciate the great memories, the pictures, and the various activities that you were a part of in by-gone days.

Congratulations to the Annual Staff and Mrs. Matkin for another job well done and to the Student Body for making our institution one we can all be proud of.

Respectfully,

Dale Johanson
Junior High Principal

ELEMENTARY PRINCIPAL



School annuals are pictorial records which record most of the events and the students for a given school year. To achieve such a record book, the annual staff and the sponsor must work continually during the school year to meet all the deadlines connected with the production of the annual. The 1971-72 annual staff met all their deadlines and composed another outstanding annual.

This annual will be viewed again and again throughout the coming years. Each time that someone opens this 1971-72 annual, he should thank the annual staff for doing such an outstanding job. I offer my congratulations and thanks now to the annual staff for another fine yearbook.

SENIOR PROPHECY

We see MIKE HARRIS is now making commercials for Ultra-Brite toothpaste. That sex appeal must really be something. We see Mike is now living with his twelfth wife (this month).

I see KENNY HEDRICK has just bought out the remaining stock from the Live Oak County Auction. He's been giving everyone a lot of bull for a long time: now it is his job.

After completing extensive training under Mr. Carl Weber, Jr., BUDDY HUEBOTTER has become the new principal of TRHS, but he still lets Frank Neffendorf ring the bells.

JOANNA HUGGINS has just opened a dress shop called Huggin's Hut, specializing in sizes 00 to 3. There is a rumor, however, that she will be closing soon to take a position at Dennis' Discotheque. I wonder what Dennis had in mind?

ROSA JUAREZ has just announced her plans to buy out McDonalds and change the name to The Bun & Bean: specializing in beans on buns.

RODNEY KOLB is now a member of the Royal Canadian Mounted Police. He always gets his woman.

After taking an overdose of sleeping pills as a Freshman, HARRY KUENSTLER has finally awakened to find he is about to graduate from T.R.H.S.

RANDY MAUPIN is now making a movie about his high school days called "No Hair". The retired principal of TRHS, Mr. Carl Weber, has consented to be Randy's hairdresser, just like the old high school days.

TONIE WILSON has just signed up to be lifeguard for Calliham YMCA.

CAROL YOUNG is teaching Drivers Ed at George West. She specializes in crash preparation and controlling a car after a crash.

Managers MAURICE ZAMZOW and ROCKY MENDEZ have teamed up to become managers of the Ray Point Rejects.

MARY ANN MEEKS is now taking karate lessons to defend herself from her brother-in-law Jack, who, by the way, is now the District Attorney for Live Oak County.

ROGER STEWART is now a photographer for Playboy magazine. He just signed a 55-year contract with his wife Debbie to be a Playboy pin-up.

STOCKY MORGAN is now a mechanic for A. J. Foyt, after completing five years of service for the Three Rivers Bus Barn.

JULIE PLOCH, after 20 years, has been discovered frozen in her father's ice house.

DELIA RODRIQUEZ has finally reached her lifetime fulfillment - she has turned into a typewriter without a paper bail.

Because of stiff competition from ALBERT RUIZ, Bugs Bunny has resigned from acting.

DOUG STEWART has just written a best-seller entitled: "How to Get Out of High School in Seven Easy Years."

EDDIE STAINTHORPE is now editor of a communist controlled newspaper operating out of Hanoi. Actually he is a double agent writing for the Three Rivers News.

In order to strengthen the Milwaukee Bucks, who by the way need it, Jabbar has persuaded to sign his little brother, RENE ABDUL SOTELO.

GLORIA RUIZ has started a new Cheerleading School specializing in yelling.

After ten years we have learned that Mrs. Sanders has been using her daughter SHERYL as a guinea pig for her wild medical experiments.

RAY TREVINO, after completing extensive training under Ben Barnes, is now governor of Texas.

Because of swimming in uranium pits, RICHARD WEBER has become radioactive, so the U.N. banned him for use as a nuclear weapon.

The American Skiing Association has announced plans to turn the top of DANNY VALDEZ'S head into a ski slope.

JOE BONNER and RODDY COQUAT, the famous small town motorcycle racers, just hit the big times along with their financial sponsor DAVID PENNINGTON of Pincus Drilling Company when they took first place in the Baja 1000.

MIKE DUSEK has taken over Dolly Parton's place in the Porter Wagoner Show.

If you are in the Ray Point area, be sure to take the exit off the New Ray Point Downtown Freeway in time to stop at Squirrely SHIRLEY'S Bakery. She specializes in BROWNIES. They are so good you can only eat one.

DAVID GARCIA is now the chemistry teacher at the University of Tilden.

BOBBY GRAVES decided to join the Army so they would pay his way through college at the same time. Well, things didn't work out quite as he expected. He's now attending the University of Saigon.

TERRI DIAZ was a very successful psychiatrist. She was writing a thesis on the emotional life of an octopus, but she got tangled up in her work and hasn't been seen for some time.

LYNN BELLOWS' water company at Simmons has gone bankrupt because the people of Simmons don't know water is something to drink.

PEGGY KYLE brought about another triumph for Women's Lib. She demanded equal rights with her husband. She got them. She now is a sanitation engineer with the Three Rivers Sanitation Department. That's just a fancy word for a roter-rooter woman.

Next season on Rowan & Martin's Laugh-In, instead of Lillie Tomlin, you'll see WALLY GARCIA.

LUCINDA CRUZ has opened a large factory for edible plates. Instead of your mother telling you to eat everything on your plate, she simply makes you eat your plate.

KIM DOVE has just announced his plans to jump 20 cattle guards on a motorcycle, trying to break his record of one cheek.

Burt Reynolds has just resigned from doing fold-outs because of strict competition from DONALD GRIFFITH. When asked about this, Donald said, "Why not? I'm just as cute as him and there is more of me!!!"

RANDAL ROSEBROCK now runs track for the U.S. Olympic team in Germany.

Go Power

. . . CPL electricity . . . the power behind the good things in life. Like your music loud? Turn on power that gives you real volume at a low cost. Want a break from dishwashing? Load them in an electric dishwasher and away you go. Want convenience? Get a load of little things . . . like an electric toothbrush, coffeemaker, hair curlers, power saw. Then cool it . . . with electric air conditioning. The hidden asset behind them all is low cost, dependable electricity . . . Go Power.
